Dine out to support Meals on Wheels, Lake County

Meals on Wheels delivers hot food to people in Lake County who wouldn't otherwise have a nutritious meal. In 2016, *Meals on Wheels* delivered 122,400 meals to seniors in Lake County. Meals are delivered by volunteers Monday through Friday, once a day. With this fundraiser, we hope to provide additional meals as needed and support other food initiatives, including community suppers and food pantries. Please participate in this inaugural event! No one should be hungry in our backyards.

I will participate 4/10/18 by donating at least 10% of sales to Meals on Wheels:
